Message From the President

As the Community Foundation of the Dan River Region enters its third decade, our total assets are now almost \$33,000,000—a figure which demonstrates the generosity of persons in our area and the confidence donors have in our organization. In the past year the Foundation was able to provide scholarships of \$158,605 to 82 students and grants of \$1,286,357 to more than 50 area organizations.

In the past several months the Foundation has stressed outreach to the areas which we serve. “Thank You” luncheons have been held in Chatham, Yanceyville, and South Boston; each of the luncheons was well attended and gave us a great opportunity to thank those who have made contributions in the past and to make new friends throughout our region.

Each quarter the Foundation hosts what we call the “Funders Forum”, a meeting of representatives of all the major foundations and other charitable funding sources in the Dan River region. Each meeting focuses on a specific topic such as economic development or education and each funding organization is provided an opportunity to update the others as to its activities in the previous months. The Forum has proven to be an excellent vehicle to make all groups aware of specific needs in area communities and the goals of each funding group. The sharing of information at those meetings has been invaluable in reducing duplication of efforts of the different groups and in refining the outreach of the organizations.

The Community Foundation provides individuals in our area the opportunity to make an impact with their charitable giving which could not be accomplished by each person alone. The Foundation, in effect, provides individuals the opportunity to magnify or multiply their giving dollars specifically for the purposes important to each of our donors. Persons giving to or investing in the Foundation can, if desired, place reasonable and thoughtful restrictions on the manner in which their contributions are to be expended in future years. Working with our staff, various fields of interest and/or certain types of recipients can be specified by each donor.

Much of our work continues to be accomplished by an excellent and dedicated staff. Debra Dodson has been Executive Director of the Foundation for 18 years and provides invaluable guidance to the activities of the Foundation and assistance to those interested in making contributions to our organization. She is ably assisted by Morgan Epstein, a recent Averett University graduate, who serves as Program Director.

Throughout its history the Foundation has taken great pride in the hard working volunteers who serve on the board. The current board is no exception—representatives from a variety of backgrounds and interests continue to be interested and involved in the work of the Foundation. We are pleased to have representatives on the board from each of the areas served by the Foundation—the counties of Pittsylvania, Halifax, and Caswell as well as from the City of Danville. We are confident that with such involvement the Foundation will continue to grow and provide much needed assistance to individuals and organizations in our area.

James A.L. Daniel
President, Board of Directors

What is the Community Foundation?

The Community Foundation of the Dan River Region is an independent, public charity established in September 1996 by a steering committee of local civic leaders to gather permanent funds to support our area.

While the Foundation works with donors to establish funds to benefit any geographic area, our primary service area is Danville/Pittsylvania County, Virginia and Caswell County, North Carolina. Donations are also being sought to build up resources for South Boston/Halifax County, with consideration being given to other neighboring counties.

Community foundations are established to manage a collection of separate funds created by individuals and corporations – a community of donors – to enhance the quality of life in a local area. These funds are pooled and invested under the direction of a board of directors comprised of community leaders. Income from the funds is distributed in the form of grants and scholarships. The first community foundation was created in 1914 in Cleveland, Ohio. There are now more than 700 community foundations nationwide, controlling aggregate assets in excess of \$25 billion. Community foundations are the fastest growing form of philanthropy in America today and often are in the vanguard of charitable giving.

The Community Foundation is fully tax-exempt as an organization described in Sections 501(c)(3) and 170(b)(A)(vi) of the Internal Revenue Code.

Our Vision

To recognize needs and provide resources to improve the quality of life in our community and to serve the wishes of our donors.

Our Mission

To improve and enrich the lives of people in our community by encouraging the generosity of donors; by receiving, managing and distributing important resources; and by meeting a variety of charitable purposes in our community.

Please visit our office at 541 Loyal Street in Danville.

The Benefits of an Endowed Fund

Strategic Impact

With experience in the community since 1996, the Foundation staff targets your resources to achieve the greatest impact.

Tax Benefits

As a 501(c)(3) charitable organization, all contributions qualify for maximum deductions for income, gift and estate purposes.

Simple Administration

Establishing a fund with the Foundation can take as little as one hour. Our staff manages all administrative and grantmaking activities, so you can rest easy knowing that your charitable goals are met.

Personalized Involvement

Meeting your charitable objectives is our priority. With our knowledge of the community, you can learn more about the causes you care about.

Geographic Flexibility

The entire Dan River Region is the primary focus of the Foundation's work. However, grants may be made to an organization anywhere in the world on your behalf as long as the organization's charitable status can be confirmed.

Charitable Legacy

When you create an endowed fund, generations to come will benefit from your commitment and generosity.

10th Anniversary of the Danville/Pittsylvania County Veterans Memorial

In 2004, a committee of the Korean Happy Warriors, a local veterans' organization, convened for the purpose of erecting a Korean War Memorial. The committee secured the use of a one-acre plot in Dan Daniel Memorial Park and realized the size could accommodate a much larger vision, one of a memorial to local veterans of all wars and teach a history lesson, lest we forget.

Members of the Happy Warriors approached The Community Foundation of the Dan River Region to help coordinate brick sales to underwrite the cost of the memorial's erection. Enthusiasm was found among local veterans groups, civic clubs, fraternal organizations, and the general public as the committee moved forward with its vision.

A groundbreaking ceremony on Veterans Day 2005 featured Col. F. Harold Kushner as keynote speaker who told of his experiences as a Vietnam prisoner of war. Col. Kushner, born in Hawaii a few months before the attack on Pearl Harbor while his father was a U. S. Army dentist there, grew to manhood in Danville.

Construction began early in 2005 with overwhelming support provided by the brisk sale of engraved bricks in the proposed memorial walkway. The services of many local contractors and individuals, including architects, surveyors, engineers, several electrical firms, a concrete company, grading and lawn specialists, and a host of others offered their services free of charge in support of the project. Private donations and grants by the Community Foundation of the Dan River Region and others enabled the Memorial's completion free of debt.

Dedication Day, November 10, 2007, witnessed more than 2,200 in attendance to view the 158-foot, semi-circular, black granite wall inscribed with the names of 1,649 local veterans who died in all of our Nation's wars from the American Revolution to Afghanistan. The central focus of the wall is the slogan, emblazoned in gold, "Freedom is not Free."

The circular brick Memorial Walkway engraved with more than 6,400 veterans' names on individual bricks richly enhances the site. Veterans from anywhere, living or dead, qualify for an engraved brick. Bricks are still available for purchase for any honorably discharged loved one or for any man or woman currently serving in any branch of our armed services.

Today, local veterans can be found daily assisting visitors and painstakingly caring for this beautiful memorial to our Nation's heroes.

The Community Foundation of the Dan River Region is excited to be a part of this beautiful memorial to all area veterans. With our limited staff, The Community Foundation is hesitant to commit to special project requests such as this but our Board of Directors enthusiastically approved the proposal that The Community Foundation accept the donations for the Veterans Memorial. One Board member explained that helping to build a Veterans Memorial is what puts "community" in our name.

MOBILE FRIENDLY COMMUNITY FOUNDATION WEBSITE

The Community Foundation of the Dan River Region has unveiled a redesigned website that is more intuitive and user-friendly - no matter how you access it!

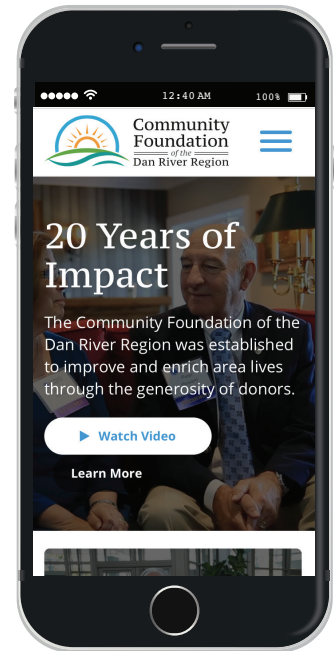

The first change you'll likely notice is the clean design which features the Foundation's new logo. This design also makes CFDRR.org easy to view and use on any kind of device, from a smartphone to a tablet to a laptop or desktop computer.

Plus, the new format allows staff to update the site quickly and easily to include announcements of new funds, grant or scholarship opportunities and news releases.

Donors may still donate online directly to any of the more than 130 funds and include requests for special honorariums or memorial tributes. Bricks may also be purchased for either the Danville-Pittsylvania Veterans Memorial or the new Pittsylvania County Animal Shelter.

The website is also the portal to the grant application and scholarship application processes when those opportunities are open.

Donate or Apply for a Scholarship or Grant Online!

Pittsylvania Animal Shelter Fund

On September 1, 2016, The Community Foundation of the Dan River Region began accepting donations to support the new Pittsylvania County Animal Shelter being constructed on Route 29 in Blairs.

Pittsylvania County Animal Shelter Fund

The Pittsylvania County Animal Shelter Fund was opened in 2008 by a private donor with The Community Foundation to benefit the Pittsylvania County Animal Shelter and encourage the construction of a new shelter. Several grants have been made to the County and the local SPCA chapter from the Fund.

Donors were given special naming opportunities throughout the project and the opportunity to purchase a bench or brick in honor or in memory of a special pet.

Donations will continue to be accepted in the Pittsylvania County Animal Shelter Fund, which will serve as an endowment for the new Center.

Pittsylvania Pet Center Now Open

The new Pittsylvania Pet Center opened to the public in July, 2017. The County has contracted with Lynchburg Humane Society to manage the Center and continue to offer opportunities for area citizens to support the Center through donations and by volunteering.

Other Ways to Support Animals

Area donors have already created several other animal welfare funds with The Community Foundation, including the Veterinary Emergency Treatment Fund (V.E.T. Fund), Animal Welfare Fund and the Irving H. and Louise Hambrick Scarce Animal Welfare Fund. Anyone can donate to any of these funds or start their own fund.

Starting a Fund

We invite you to join the thousands of donors who are working through The Community Foundation to build a strong future for our community.

Perhaps you have had a lifelong commitment to a particular charitable field and wish to support that interest in perpetuity. You may have a specific charity or charities in mind to receive income from your fund – or you may prefer an unrestricted gift, allowing the Foundation to determine where needs and opportunities are greatest in the community. You, and perhaps your family, may choose to be involved as advisors to a fund.

The Community Foundation encourages potential donors to also consult with their attorneys, accountants and tax advisors to learn more about charitable giving and establishing a fund through estate planning.

Donors can create their own Named fund for a minimum of \$10,000 (\$25,000 for scholarships) or they can contribute in any amount to an existing fund of the Foundation.

Unrestricted Funds give the Foundation maximum flexibility to respond creatively and effectively to the community's most compelling needs and opportunities. These funds are among the Foundation's most important assets, capable of addressing community needs as they change over time.

Field of Interest Funds are restricted by the donor at the time of creation to support a particular area of interest, such as children, the elderly, the arts, or the environment, etc. Once established, Field of Interest funds can grow through gifts from others who see them as a way to address their own charitable interests.

Designated Funds enable donors, at the time funds are established, to name one or more specific organizations to benefit from the fund permanently. The Foundation ensures that the designated recipients receive support as long as they remain in existence and continue to fulfill the intended charitable purpose.

Donor Advised Funds allow donors to recommend which charitable organizations should receive grants from their fund and in what amounts. Many donors choose to give to multiple nonprofits through a donor-advised fund. Our board of directors is legally responsible for approving all grants.

Scholarship Funds allow our donors to invest in the future by helping deserving students in our community. As the donor, you determine the criteria students must meet to receive your scholarship. Your gift can help students – from preschool to postgraduate – achieve their lifetime dreams. The Community Foundation provides the expertise to handle all of the application and selection process.

Agency Endowment Funds allow nonprofit organizations (agencies) to create a permanent and predictable source of funding dedicated for their organization. The agency can add to the fund as well as individuals, organizations and businesses.

Thank You

"Serving on the Board was an enlightening experience and an enjoyable one as well. I learned so much about a wonderful organization and had the occasion to renew old acquaintances and make new ones, not to mention the new Carolina friends I made! The staff has been great in all your contacts with me and I will certainly continue to tell others of my experience. Though I will no longer be on the Board, rest assured that I will be an ambassador for the organization from this point forward."

Thank You

"Without scholarships, I would not be able to further my education and personal growth. I will be forever grateful for your generosity, as I love James Madison University and don't know where I would be without the special community. Your contribution will allow me to reduce the amount of my student loans and further help me be able to afford pharmacy school in the coming years."

Leaving a Legacy

1996
Legacy Society

The Legacy Society honors those who have made a lasting commitment to The Community Foundation of the Dan River Region. Individuals who designate a gift to The Community Foundation through a will, trust, retirement plan beneficiary or other planned gift are invited to join our Legacy Society.

Membership is voluntary and free. Bequest gifts of all sizes are important and welcomed. Disclosure of gift amount or type is not required. Legacy members will be celebrated at an annual Legacy Society reception. Members will also be recognized in publications and receive invitations to other Foundation events.

You can always remain anonymous in your philanthropy. However, Legacy Society participants are an inspiration to others to look toward the future and learn how they too can have an enduring impact on the causes they care about.

Inaugural Members of The Legacy Society Include:

CUMULATIVE GRANTS AND SCHOLARSHIPS AWARDED

"Receiving this scholarship will make the burden easier to handle for me and my parents to pay for the expenses of college in today's society. As I enter the field of engineering, it will be a tough road with lots of time dedicated to studying and work. I will work hard and do my best to receive this degree in order to provide a means of money for the rest of my life."

- Kyle Bailey

"Thank you for the grant money provided for Dental Hygiene equipment and supplies. It has been so exciting to see our students like children at Christmas when they have used the new equipment your grant money has helped us provide."

- DCC, Dental Hygiene Adjunct, Robin Mitchell

"Thank you very much for the tennis equipment that was sent to our department. It is very much appreciated and the students have already enjoyed it."

*- Dan River
High School, PE
Department,
Coach Waller*

"I would like to thank The Community Foundation for awarding me the Roy L. and Mary G. Doss Scholarship for my senior year at Liberty University. This scholarship will help me out immensely and I am extremely grateful for your generosity."

- Dylan Mitchell

"I would like to express my sincerest gratitude for being presented the Eliza Patterson Hines Memorial Scholarship for the 2017-2018 school year. I am currently striving to maintain a 4.0 GPA during my time at Averett University while looking toward the future as a special education teacher. Your generosity will ultimately allow me to achieve my dreams as I go on to provide further hope for intellectually challenged students."

- Katherine Johnson

"I wanted to write to thank you for providing money for dialysis patients who are under 60 years of age to ride mass transit to the dialysis center. My mother and I were involved in an automobile accident in November and the only way I could get to dialysis was on the bus. Your generous gift will be a blessing for the next few months. Thank you again."
