

Celebrating 25 Years

Dear Friend of The Community Foundation,

Greetings! The Foundation’s Board of Directors and staff are excited to celebrate 25 years of service and community impact in the Dan River Region! We recognize achieving this milestone is a result of strong leadership and growth cultivated by the generosity and support of donors like you. We are proud to have returned \$25.7 million in grants and scholarships to our region, including about \$1.7 million last year.

As we prepare for the future, The Foundation’s Board and staff are committed to enhanced development in pursuit of our mission: to improve and enrich area lives through the generosity of donors. In recognition of our 25th anniversary, The Foundation is kicking off an appeal with the purpose of raising funds for the key program areas listed below. We request your help to raise \$25,000 for the Foundation’s 25th anniversary campaign by December 31, 2021.

One of the key program areas is the Emergency Preparedness Fund. The Coronavirus pandemic brought into focus the importance of having an emergency fund in place to assist long-term with local disasters and emergencies. Growth of the Fund positions The Foundation to respond to the critical needs of community organizations and public entities during times of crisis.

We plan to celebrate our anniversary and community of supporters with an informal open house on **Friday, September 10, 2021**. As we collaborate on the future wellbeing of our region, please consider a gift to CFDRR. Gifts of all sizes are welcome. As always, our staff are here to help you personalize your charitable giving goals.

Yours in service to the Dan River Region,

Katherine W. Milam
