## Insights From The Board President

2021 has been a continued challenge for everyone. We had so hoped that COVID would be behind us, yet this year it seemed to be so much worse. Businesses and people have been pushed to their limits; however, the majority have risen, stood together, protected each other and made choices that will benefit all of us moving forward.

The Community Foundation has done just that. We have had a very successful year because of our willingness to change. The Foundation now has \$50,931,005 in assets and was able to fund \$1,160,980 in grants to deserving organizations this past year and \$254,208 in scholarships to assist 115 of our young people in their goals to obtain higher education.

As the pandemic continues, so do we. The Foundation has been part of our community for twenty-five years. I look back at the history of The Foundation in total amazement. Whitt Clement, The Foundation's "Founding Father," and the others he worked with to begin The Foundation—what a vision they had regarding its mission, and look where we are today! I sit back and review the list of Past Presidents of The Foundation, read about their work and the work of past Boards, and I am overcome with gratitude. How hard they worked for the past twenty-five years to accomplish all that we have. What an honor and privilege we have to continue this important work.

My goal this year is to encourage donations from everyone in our community.

You do not have to be able to contribute \$10,000 to The Foundation in order to make a difference. The Foundation seeks gifts of all sizes. Gifts of \$25 or \$50 will also be utilized for the betterment of our community. Think about it— if everyone in our service area donated \$50, it would result in The Foundation receiving well over five million dollars. Wouldn't that be nice to add to The Foundation's funds each year! Consider how many more organizations and students we would be able to help with that money! I promise you, The Foundation will invest your contribution wisely and make our community a better place as a result.

As I close, I must take this opportunity to thank and congratulate our wonderful staff

at The Foundation— Kathy Milam, Cullen Libby, and Krystal Davis. We are blessed to have each of you on our team, and what a spectacular team we have! Our Board of Directors—how blessed we are to have such a dynamic team. Each of us has a goal, and we work every day towards that goal. I thank each of you for your service and dedication to such a great organization.

May God continue to bless The Foundation and the important work we do together!

*Brian Wilson*

# Inspiration and Impact

## Vision

To recognize needs and provide resources to improve the quality of life in our community and to serve the wishes of our donors.

## Mission

To improve and enrich the lives of people in our community by encouraging the generosity of donors; by receiving, managing and distributing important resources; and by meeting a variety of charitable purposes in our community.

## What It Is

The Community Foundation of the Dan River Region (CFDRR) was established in 1996 by a steering committee of local civic leaders to gather and manage permanent funds to enhance quality of life in the region. CFDRR is dedicated to responsible and effective community philanthropy. Community Foundations are fundamentally tied to a specific geographic area, where they work to serve the interests of donors, residents, and the community at large. For

CFDRR, the defined local geographic includes Danville and Pittsylvania County, Virginia and Caswell County, North Carolina. Resources are also being sought for South Boston/Halifax County, with consideration being given to other neighboring counties. To meet the varied philanthropic needs of their donors and the communities they serve, The Community Foundation offers a range of fund types and services. The Community Foundation is a fully tax-exempt, public charity described in Sections 501(c)(3) and 170(b)(A)(vi) of the Internal Revenue Code.

## How it Works

The Community Foundation of the Dan River Region accepts contributions, including cash, stocks, and other types of investments. These funds are pooled and invested under the direction of a Board of Directors composed of community leaders. Income from the funds is distributed annually in the form of grants and scholarships. To date, CFDRR has gathered assets of more than \$50.9 million and awarded more than \$27.1 million in grants and scholarships.

## Benefits and Ways of Giving

By joining with more than 4,000 Community Foundation donors, you have found an easy way to accomplish your charitable dreams. As our partner in giving, you receive the simplicity and tax advantages of a public charity combined with the personal recognition, involvement and flexibility of a private foundation.

### **Easy**

A fund can be established with a simple governing document that requires less than an hour to prepare. You can establish a charitable fund without having to cope with the complexities of setting up a special-purpose nonprofit corporation.

### **Personalized**

We take pride in our ability to personalize services to meet your charitable objectives. You may establish a fund that supports your favorite charitable organizations or programs, the community's greatest areas of need, or a broad field of interest. You may also contribute to an existing fund or make an unrestricted gift that our Board of Directors will put to good use in the community on your behalf.

### **Effective**

We are dedicated to ensuring that your charitable giving is as effective as possible. Your fund will benefit from a knowledgeable grant oversight staff, excellent financial management and a closely monitored investment strategy. Your charitable gifts are an investment – in your community, your church, your alma mater or whatever causes you select. Tap into the expertise of our staff members who are available to assess the effectiveness of a grant, research a giving option or discuss opportunities with you.

### **Legacy**

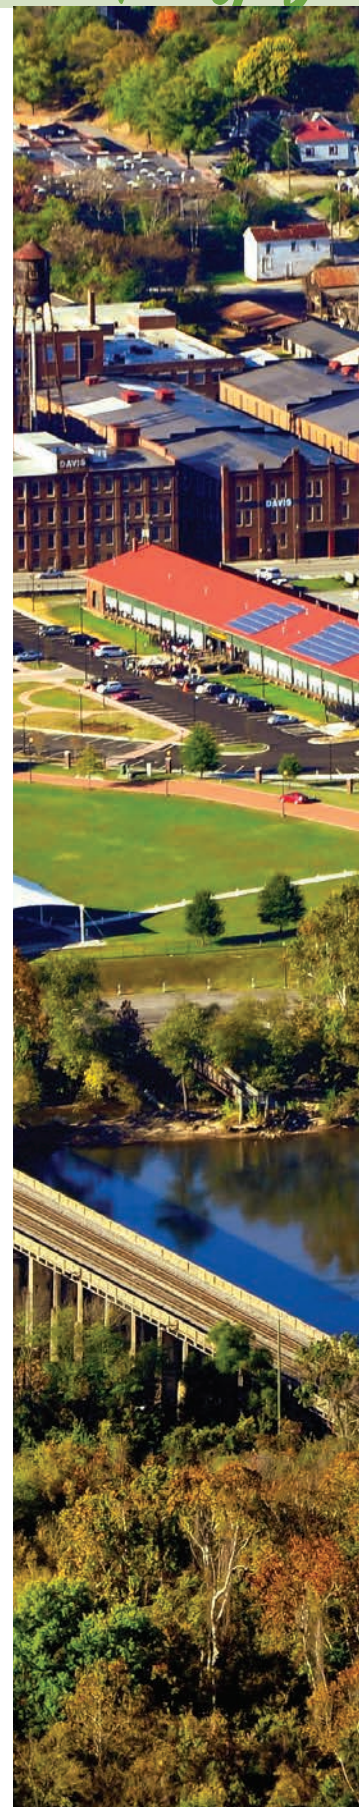

An important part of our work is building a collection of legacy endowment funds for our community. Our Board of Directors ensures that all funds will grow in perpetuity and will continue to carry out the charitable objectives of the donors who established them. If these objectives ever become impossible to carry out, the Board will redirect the funds to support a closely related purpose.

**THE COMMUNITY FOUNDATION  
OF THE DAN RIVER REGION IS:**

Excellence. Accountability. Impact.™

**Confirmed in Compliance with  
National Standards for U.S.  
Community Foundations**

## Ways To Give

### **Establishing a Fund**

- A straightforward and simple process.
- We offer several types of funds: Unrestricted, Donor Advised, Field of Interest, Scholarships, Designated Funds and Agency Funds.
- The required establishing gift for an endowed fund is \$10,000 and \$25,000 for a scholarship.
- If an individual or organization should require time to grow their fund balance to reach this minimum, we offer an Acorn Fund, which provides the donor a three-year period to attain the minimum required fund balance, at which point the fund becomes endowed.
- Donors are welcome to contact our office anytime for more information on establishing and administering a fund.

*Over the past couple of years, college life has not always been easy, as COVID-19 has led to missed opportunities and family tragedy. This January, at the age of 24, my older sister passed away due to COVID complications. Despite this tragedy and instead of shutting down, I was able to finish out this semester academically, mentally, and spiritually strong. Thanks to your support, I was able to not worry about my financial ability to attend school and instead focus on dealing with my loss with my UVA community.*

*"The PPL and the Pittsylvania County Public Library thank you for your generous support of the library's Summer Reading Program. Your grant supports creative and exciting summer reading programs for children and youth across Pittsylvania County. Summer Reading Programs foster a love of reading for pleasure that helps enrich literacy skills and reduce students' loss of educational gains over the summer break, particularly in households that contain few or no books."*

*"Thank you so much for supporting this ministry to end hunger in our community. During these uncertain times, your contribution is a gracious gift that allows God's Storehouse to continue providing food to the many families and individuals who are in need in Danville and Pittsylvania County. Because of your generosity, we are able to serve 86 families on average every day at God's Storehouse. Your contribution provides families with produce, bread, hand sanitizer, dinner for their loved ones, and even a chance to celebrate their birthday with their very own cake."*

Celebrating  
25 Years

## The Community Foundation Celebrates a Quarter-Century of Community Impact

Twenty-five years is a significant milestone in the life of The Community Foundation of the Dan River Region. To commemorate, The Foundation celebrated with an Open House on Friday, September 10 at its 541 Loyal Street Office. Fifty-eight guests attended including past and present Board members, donors, grantees, and staff.

The Foundation continues to celebrate through its 25th Anniversary Campaign, which has raised \$27,150 to date for the following focus areas: Emergency Preparedness, Animal Services, Arts and Culture, Community Development, Health and Wellness, Education and Youth Development, Human Services, and Scholarships.

The campaign will continue to accept contributions through December 31, 2021. Please consider a gift to one or more of these worthwhile program areas or to a fund of your choice.

The Foundation is deeply appreciative of all gifts received.
