QUALITY OF LIFE ANNUAL APPEAL 2023

August 4, 2023

Dear Friend of the Community Foundation,

The Community Foundation's outreach can be illustrated by the \$27.1 million in grants and scholarships distributed throughout our region since 1996, including more than \$1.5 million awarded last year. The Foundation's giving capacity is possible thanks to growth cultivated through our donors' generosity.

With the start of a new fiscal year, we announce The Foundation's **27th Year Quality of Life Annual Appeal**. For 2023, our appeal focuses on raising funds to grow a new endowed scholarship and expand the Unrestricted Community Fund, as detailed below:

- **Hospitality Management and Tourism Scholarship Fund** - This new scholarship, established by The Foundation, will support students of all ages enrolling in local hospitality programs in our service area. The scholarship will provide the opportunity for the attainment of valuable employment skills and help to develop a regional workforce for local hospitality-based businesses.
- **Unrestricted Community Fund** - The Foundation's Board and staff are committed to the development of this unrestricted grant-making fund, which supplies significant monetary resources to area non-profits for current, pressing community needs.

We ask for your help reaching the \$27,000 goal for The Foundation's **27th Year Quality of Life Annual Appeal**. As we collaborate to enhance quality of life in our region, please consider a gift to CFDRR. Gifts of all sizes are welcome. As always, our staff is here to help you personalize your charitable giving goals.

A celebration of our community of supporters is scheduled on November 9, 2023. Contributors to the **27th Year Quality of Life Annual Appeal** will receive an invitation to attend this Donor Appreciation Luncheon event.

Thank you for investing in the impactful work of The Community Foundation!
