#### EXECUTIVE COMMITTEE MEETING MINUTES

#### March 3, 2025

Present: Steve Bass, Scott Barnes, Kerri Burchett, Vince Kania, William Riddle, Danielle Montague, Sheila Willimason-Branch.

Staff: Dan Hayes

Call to Order and Welcome. Steve Bass, President, brought the meeting to order at 3:33 PM

Approval of Minutes for November 25, 2024 Meeting: Steve asked for the minutes from the last meeting to be approved. They were approved on a motion by Burkett/Riddle with no discussion.

Old Business, Steve asked that we discuss the CFDRR Special Initiatives Fund – this fund will be funded by overage from fees paid by the pool of funds (excess administrative fees and payout from Board Endowment Fund) for operations. The pool of funds would be identified on the budget for the next succeeding year when the excess administrative fund for the current year is determined on or after April 2 of each year. Distribution would not be part of the competitive grant process. Staff would have responsibility to identify or invite strategic projects and bring those to the Distribution Committee for approval at a regularly scheduled meeting of the Committee. The funds from which distribution is made would have been approved by the Board as part of the annual budget for the Foundation, and distribution approved by the Distribution Committee as part of its quarterly report for the Board at the Board's next scheduled meeting. Before presenting this process to the Board, Dan will create an attachment with a sample timeline. The timeline will be circulated to the Executive Committee. Fund approved pending that timeline on a motion by Kania/Barnes.

**Treasurer's Report**. Sheila Williamson-Branch, Treasurer, reported on the highlights of the financial reports. There was no questions or discussion.

Finance Committee Report, Bill Riddle, Committee Chair, shared that finance committee met on Feb 10 and discussed

- Marshall Trust Update, hoping all distributions will be complete in this calendar year.
- FY 2026 Spending Policy presented and is ready for board approval.
- Cash Availability Statement, presented. The statement included moving \$1.2 million to fixed income and \$800 thousand to international funds at Vanguard.
- Policy recommendation for Board approval: Statement of Investment Policy;
   Financial Policies and Procedures. Some changes were made by the committee with a recommendation to the board.
- There were no questions.

Governance Committee Planning Scott Barnes, Committee Chair, reviewed names that are being approached to prepare for the meeting on April 22. Steve appointed Vince be added to the Governance Committee.

**Distribution Committee Report,** Danielle Montague, Committee Chair, reported on intent of quarterly payments for the board meeting. Several items

Updates, Dan Hayes, Executive Director, shared updated documents

- Bylaws The bylaws as reviewed by staff, were presented. The most change was around clarifying the procedure for managing the annual Audit. The committee asked for changes in 4.13 and re-review of the committee before sending for review by legal counsel. Scott Barnes agreed to provide a re-write of section 4.13. Steve asked us to include in 3.7 that if an attendee required to retain a quorum leaves the meeting after quorum is declared, their vote will be presumed in the affirmative unless written objection to any issue voted upon after their departure is filed with the Executive Director within 24 hours following adjournment of the meeting.
- Scholarship Agreement Template and Donor Advised Fund Template were presented for review. Agreement documents are continuously updated, and the committee was asked to review the starting point.

**Strategic Plan Progress Report**, the strategic plan is moving forward. Dan and Scott met to review the process. A good presentation was not prepared, Dan committed to having a better review at the next Executive Committee meeting.

30<sup>th</sup> Anniversary Planning, the 30<sup>th</sup> Anniversary of The Foundation is Sept 4, 2026, Dan asked for opinions on how the event should be presented. The request comes now because if events should be planned for Q3 and Q4 of the next fiscal year, we need to include them in the budget. Dan's recommendation is to do a series of events within the FY 27 budget.

Activity Report, Dan Hayes referred to the activity report in the pre-meeting packet and picked out the following highlights:

- AkoyaGO—The process is going well. It was recommended that staff double-check that the system will roll into the new year and tie out every seven years.
- Board giving participation rate is 68%. Staff giving participation rate is 100%
- Dan has made multiple trips to Halifax to increase our exposure in the area.
- The Federal Reserve Bank of Richmond has a Rural Initiative to increase the number of Federal and State grants that are awarded in rural areas. Currently representing our area in the program is Wendi Everson. There is also a drive among local foundations to fund this program. The Harvest and Danville Regional Foundation both have contributed funds to support the effort. We have been asked to also provide funds any level from 5K to 25K. The consensus is that our area is covered, we will not contribute at this time.

Closed Session for Executive Director Performance Review

Adjournment, Steve adjourned the meeting at 5:30 PM

# CFDRR Financial Statement Analysis As of March 31, 2024

#### **Balance Sheet/Statement of Financial Position**

- Asset size has increased approximately \$4 million since 6/30/2024 primarily due to market value increase and a \$3 million donation to the Marshall Fund in December.
- Due to market volatility in April, the asset value has fluctuated significantly and may continue to do so.

#### **Profit & Loss Statement/Statement of Activities**

- This report reflects the consolidated activity for all funds including endowed and non-endowed as well as the operational activity for the Foundation.
- Gifts and Bequests are down from last year at this time primarily due to donations received for the Marshall Fund in FY24.
- Total revenue was down from this time last year because of the previous statement above and the market downturn resulting in unrealized losses.
- Interest/Dividend Income and retained earnings increased approximately \$700,000 since the last fiscal year at this time.
- The FMV of securities decreased in March resulting in \$2.4 million of unrealized loss for the month but is an overall increase of \$1.3 million for the fiscal year ending 3/31/2025.
- The increase in investment management fees over last year is attributable to the fees assessed by Harbourvest and Wells Fargo. Harbourvest is a timing issue, and the Wells Fargo investment accounts were not open in 2023.
- Administrative fees paid by funds are higher than last year because of increased asset size.
- Salary expenses are up from last year because of the increase in staff.
- Expenses for accounting services are down from last year because we no longer employ a contract accountant.
- Credit balances in expense accounts for the current month are the result of reclassing expenses with the addition of expense accounts for Donor Services & Receptions, Development & Strategic Initiatives, IT/Server Expense and Website Design & Maintenance.
- Software expenses increased over last year due to \$32,000 in implementation fees paid to Akoyago.

#### **Administrative Budget vs. Actual Monthly**

- We are on target to have more total revenue for the Admin Fund than budgeted for FY25 because of additional interest and dividend income as well as increased administrative fees received from funds (projected to be \$636,000 for FY25).
- Project Grant Expense includes expenses that will be reimbursed before the end of the fiscal year from DRF through our Capacity Development Grant.
- We are on target to be on or under budget for most expense categories except Donor Services & Receptions, Software and Investment/Bank Fees.

# AMENDED AND RESTATED BY-LAWS OF THE COMMUNITY FOUNDATION OF THE DAN RIVER REGION

(A Virginia Non-Profit, Non-Stock Corporation)

(By-Laws Adopted and Effective as of \_\_\_\_\_\_, 2025)

#### ARTICLE I

#### **OFFICES**

The principal office of The Community Foundation of the Dan River Region (the "Foundation") shall be located at 541 Loyal Street, Danville, Virginia. The Foundation may have such other offices, either within or without the Commonwealth of Virginia as the Board of Directors of the Foundation (the "Board") may designate or as the business of the Foundation may from time to time require. The Board may change the principal office of the Foundation from time to time.

#### **ARTICLE II**

#### **BOARD OF DIRECTORS**

#### 2.1 GENERAL POWERS

The property, business, and affairs of the Foundation shall be managed by its Board of Directors. The directors shall in all cases act as a board and not individually. The Board may adopt rules and regulations for the conduct of its meetings and the management of the Foundation as it deems proper and which are not inconsistent with these By-laws, the Articles of Incorporation, the laws of the Commonwealth of Virginia, or the rules, regulations, or laws of the United States.

#### 2.2 NUMBER OF DIRECTORS

There shall be a minimum of thirteen (13) directors and a maximum of twenty-three (23) directors of the Foundation. The minimum and maximum number of elected directors may be increased or decreased from time to time by amendment to these By-laws. Within the minimum and maximum number of directors established by these By laws, the Board, by resolution, shall set a fixed number of directors divisible by three, which initially shall be twenty one (21). Within the minimum and maximum number of directors, by resolution, the Board may change the fixed number of directors. A decrease in the number of elected directors by resolution or amendment to these By-laws shall not have the effect of shortening the term of any incumbent Director.

#### 2.3 APPOINTMENT AND TENURE OF DIRECTORS

The fixed number of elected directors shall be nominated by the Nominating Governance Committee in accordance with Paragraph 7.4 of Article VII and elected by the Board.

Existing directors may succeed themselves in office. However, a director may not serve more than two (2) consecutive three (3) year terms. A director shall be eligible for re-appointment after absence from the Board for one (1) year. A director's term may be extended in order to fulfill a term of office, if so nominated and elected by the Board.

At the first annual election of directors, one third of the directors shall be elected for three-year terms, one third of the directors shall be elected for two year terms, and one third of the directors shall be elected for one year terms. Thereafter, Directors shall be elected for three-year terms, thereby producing three groups of directors serving staggered terms in accordance with Section 13.1-858, Code of Virginia, 1950, as amended. Each director, including the initial directors of the Foundation, shall hold office until his or her successor is elected and qualifies, until his or her death, or until he or she resigns or has been removed in the manner hereafter provided.

#### 2.4 QUALIFICATIONS OF DIRECTORS

Directors shall consist of individuals who reside in the City of Danville, Virginia;

Commented [CH1]: Is this for the first board or all boards?

Commented [SB2R1]: First Board. Your strike through should

**Commented [DH3]:** I believe we no longer need to reference this because it is about using staggered terms to create the board.

Commented [SB4R3]: Agree

Pittsylvania County, Virginia; Caswell County, North Carolina; or surrounding counties. Although not required, it is preferred that Danville, Virginia, Pittsylvania County, Virginia, Halifax County, Virginia, and Caswell County, North Carolina be represented on the Board. Each director is to be selected for his or her knowledge of the religious, scientific, literary, educational, or other charitable needs within these localities.

Any person whose presence on the Board would cause the Board to lose its status as an independent governing body as defined in Section 1.507-2(a)(8)(ii) of the regulations established under the Internal Revenue Code of 1986, as it may be amended (the "Internal Revenue Code") shall not serve on the Board.

#### 2.5 COMPENSATION OF DIRECTORS

The directors of the Foundation shall not receive compensation for their services as directors, but the Board may reimburse directors for expenses incurred in the performance of their duties.

#### 2.6 VACANCIES

A vacancy in the Board because of death, resignation, removal, disqualification or otherwise may be filled by the Board for the unexpired portion of the term. The director filling the vacancy may then serve two full terms.

#### 2.7 RESIGNATION

A director may resign at any time by giving written notice to the President or the Secretary of the Foundation. Unless otherwise specified in the notice, the resignation shall take effect upon receipt thereof by the Board or such officer, and the acceptance of the resignation shall not be necessary to make it effective.

#### 2.8 REMOVAL

Any director may be removed, with or without cause, at a meeting called expressly for that purpose, by the vote of a two-thirds majority of the number of directors fixed by these By-laws, as amended, or fixed by resolution of the Board.

Among other things, cause shall include the failure

Commented [CH5]: Need this?

Commented [DH6R5]: The religious appears in our articles of incorporation and focuses on our partnership with churches and religious support

Commented [SB7R5]: Politically correct

Commented [DH8]: Should the 8 be a 7

**Commented [DH10R8]:** Response from CoF - all codes are correct and fine to leave, but not required.

to attend at least 25% of all board meetings within the previous twelve (12) month period

#### 2.9 TERMINATION, STANDING COMMITTEES

If the term of a director ends, for any reason, he or she will be removed from any Standing Committee on which he or she serves. However, such director may serve in an advisory capacity as a member of a subcommittee or advisory committee of a Standing Committee.

# ARTICLE III MEETINGS OF THE BOARD OF DIRECTORS

#### 3.1 MEETING GENERALLY

The Board may hold its meetings at such place or places within or without the Commonwealth of Virginia as the Board may from time to time by resolution determine or (unless contrary to a resolution of the Board) at such place as specified in the related notices or waivers of notice of such meetings.

#### 3.2 ANNUAL MEETING

The Board shall meet annually, at such time and place as designated by the Board. It is not required, but typical that the June Board meeting is known as the annual meeting. The purpose of the annual meeting shall be to elect directors and officers and to conduct such other business as indicated on an agenda prepared by either the president or secretary of the Foundation. The term of each elected director shall begin on the first of the month immediately following the annual meeting at which he or she was elected. In the event that a successor director is elected to complete the unexpired term of a resigning or withdrawing director, the term of such successor director shall begin immediately.

#### 3.3 REGULAR MEETINGS

The directors may provide, by resolution, the date, time, and place for the holding of

Commented [DH11]: Scott shared, This currently means that the Board member would not have attended any of the four Board meetings. Is it better to say that rather than getting into the math? And it gets messy if there are five or six called Board meetings.

Commented [SB12R11]: I believe we could eliminate the sentence. The first one should do. Before any Board vote would be required, representatives of the Exec Comm should be able to address the person directly and achieve some result. additional regular meetings of the Board.

#### 3.4 SPECIAL MEETINGS

Special meetings of the Board may be called by or at the request of the President, or any two (2) directors. The person or persons authorized to call special meetings of the directors may fix the time and place for holding any special meeting of the directors called by them. Notice of a special meeting shall be given to all directors at least seven (7) days in advance of the meeting, unless there is an emergency, in which event a notice of one (1) day shall be required. Any notice of a meeting, whether annual, regular or special, may be given by mail, by telephone, facsimile, e-mail or by other electronic transmission. A director who attends a meeting of the Board, whether annual, regular or special, shall be deemed to have received notice of the meeting, unless he or she attends for the expressed purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

At any meeting of the directors, the presence of a majority of the number of directors serving at the time of the meeting shall constitute a quorum for the transaction of business. The act of the majority of the number of directors serving at the time of the meeting shall be the act of the Board.

If a quorum is present at the start of a meeting, If an attendee required to retain a quorum leaves the meeting after the quorum is declared, their vote will be presumed in the affirmative unless written objection to any issue voted upon after their departure is filed with the Executive Director within 24 hours following adjournment of the meeting

If a quorum is not present, a majority of the directors present may adjourn the meeting from time to time without further notice. Attendance and voting at a meeting by telephone or electronic means shall be permitted, provided that all parties on either side of the telephone call can hear and communicate with one another.

A director who votes in favor of an action shall not have the right to dissent thereafter.

#### 3.11 ACTION WITHOUT A MEETING

Any action which may be taken at a regular or special meeting of the directors may be taken without a meeting, if a written consent setting forth the action is signed either before or after such action by all of the directors. Such consent shall have the same force and effect as a unanimous vote.

#### 3.12 RULES OF ORDER

The Foundation shall utilize and follow Roberts Rules of Order newly revised current edition for all meetings of the Board.

## ARTICLE IV DUTIES AND AUTHORITY OF THE BOARD

#### 4.1 COMMON GOVERNING BODY

The Board shall be the common governing body of the Foundation for the purposes of Section 1.170A-9(e)(11)(v) of the regulations established under the Internal Revenue Code. Accordingly, the Board shall direct or, in the case of a fund designated for specific beneficiaries, monitor the distribution of all funds of the Foundation exclusively for charitable purposes within the meaning of Section170(c)(1) or (2)(B) of the Internal Revenue Code.

Furthermore, in accordance with the above-mentioned Section 1.170A-9(e)(11)(v), the Board shall have the following powers:

1. To modify any restriction or condition on the distribution of funds for any specified charitable purposes or to specific organizations if in the sole judgment of the Board

(without the necessity of the approval of any participating trustee, custodian or agent) such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served by the Foundation;

- To replace any participating trustee, custodian, or agent for violation of fiduciary duty under the laws of the Commonwealth; and
- 3. To replace any participating trustee, custodian or agent for failure to produce a reasonable return of net income over a reasonable period of time. The Board shall determine what constitutes "reasonable" in this regard.

The Board shall commit itself (by resolution or otherwise) to exercise the powers set forth in this Paragraph 4.1 of Article IV in the best interests of the Foundation.

If a power granted to the Board is inconsistent with any law of the Commonwealth, even if such powers were expressly granted to the Board by the governing transfer, then the Foundation shall exercise such power to the fullest extent possible consistent with the law if it has grounds to exercise such power.

#### 4.2 FIDUCIARY CAPACITY

Each member of the Board shall serve in a fiduciary capacity and refrain from exercising any power in such manner as to disqualify the Foundation from federal income tax exemption as a qualified charitable organization or any gift from deduction as a charitable contribution gift or bequest in computing federal income gift or estate tax of the donor or his or her estate.

#### 4.3 CONFLICTS OF INTERESTS

Each director shall disclose conflicts of interest at the beginning of the fiscal year. A director shall not take any action to influence the conduct of the Board which results in financial benefit to himself or herself. In addition a director shall not take any action to influence the conduct of the Board in any matter or undertaking in which the director has an interest. If an issue arises in which the director or related party could obtain such a benefit, the affected director must disclose

Commented [CH26]: OK to change?

Commented [DH27R26]: This is an addition

the potential conflict fully. If it is determined that a conflict exists, the director may not vote or engage in any discussion on the matter at issue.

The Board, by resolution, may adopt such other policies and requirements relating to conflicts as it deems appropriate.

#### 4.4 EXPOSURE OF THE FOUNDATION AND SOLICITATION OF GIFTS

The Board shall take all appropriate actions to make the Foundation and its purposes known to the citizens and residents of the community or area served by the Foundation and in that connection seek gifts to the Foundation from institutions, businesses and individuals doing business located or residing in or having an interest in the community or area served by the Foundation.

#### 4.5 ACCEPTANCE OF GIFTS

The Board of Directors or any officer or officers or agent or agents of the Foundation to whom such authority may be delegated by the Board may accept on behalf of the Foundation any contribution, gift, bequest or devise for the general purposes or of any special purpose of the Foundation. Such contributions, gifts, bequests or devises may be received and maintained in the form of separate funds, provided such contributions, etc., are structured in a manner that such separate funds will be treated as a component part of the Foundation rather than as a separate trust or non-profit corporation, in accordance with Section 1.170A-9(e)(11) of the regulations established under the Internal Revenue Code. No such separate fund may be directly or indirectly subjected to any material restriction or condition with respect to the transferred assets in violation of said Section1.170A-9(e)(11) or any other relevant section of said regulations or the Internal Revenue Code.

The Board, by resolution, may establish a gift acceptance policy, setting forth the manner that gifts will be received, and the funds or accounts into which gifts will be deposited and held.

In addition to the other powers of the Board contained in the Articles of Incorporation or in

the By-Laws of the Foundation, if the Board, upon the unanimous recommendation of the members of the Distribution Committee declares that the purposes of any gift made pursuant to this Article IV, paragraph 4.4, have become (1) unnecessary, undesirable, impracticable or impossible of fulfillment, or (2) if any organization to which the income or principal of any gift shall be paid becomes nonexistent or shall have ceased its activities, or (3) if for any other reasons the application provided by the said donor or testator shall have become impossible, impracticable, unnecessary or undesirable, then, notwithstanding the directions of the donor or testator, the Board shall apply such gift to the purposes set forth in the Articles of Incorporation, subject to the provisions of those Articles of Incorporation and these By-Laws. The determination of the Board of Directors that such purposes have become unnecessary, undesirable, impracticable or impossible of fulfillment shall be binding and conclusive upon all persons.

#### 4.6 MANNER AND MAKING OF GIFTS AND DONATIONS

Any gift to the Foundation for the purposes provided for in these By-Laws or in the Articles of Incorporation of the Foundation may be made by effectively identifying the gift as made to or for the purposes of The Community Foundation of the Dan River Region, a Virginia corporation, or by effectively identifying and incorporating these By-Laws and the Articles of Incorporation of the Foundation by reference in a manner permitted by law in any will, deed or other written instrument legally operative to transfer title to the Foundation. In this respect the donor or testator may:

- (1) Generally adopt all of the provisions of these By-Laws and the Articles of Incorporation, in which event the gift shall be devoted to the purpose set forth in paragraph 2 of the Articles of Incorporation;
  - (2) Adopt the provisions of the By-Laws and the Articles of Incorporation, but:
- (a) Specify the charitable purpose to which such gift shall be applied as set forth in this Article IV, paragraph 4.4 of the By-Laws, or

- (3) Adopt all of the provisions of these By-Laws and of the Articles of Incorporation but authorize the Board of Directors in its uncontrolled discretion to determine the time when and the purpose for which the principal and/or income of the gift shall be used and applied in whole or in part, pursuant to paragraph 2 of the Articles of Incorporation.

#### 4.7 DISBURSEMENTS

The Board from time to time, but not less frequently than yearly, shall determine all disbursements to be made by the Distribution Committee or for administrative expenses incurred by the Board and shall direct the Treasurer, the Investment Finance Committee, and all participating custodians and agents as to payment thereof and funds to be charged.

All final determinations of the Board of distributions recommended by the Distribution Committee shall be made by the affirmative vote or consent in writing by no less than two-thirds (2/3) of the members of the Board, unless otherwise expressly provided by the direction of the donor as a condition of any gift to the Foundation (provided such condition is permissible under these By-laws and the Articles of Incorporation of the Foundation).

The Board may also authorize a distribution without a preliminary determination of the Distribution Committee, but only after such distribution has been considered by the Distribution Committee. Any approval of a distribution by the Board in such circumstances shall be only upon the affirmative vote or consent in writing of not less than two-thirds (2/3) of the members of the Board.

for professional and other assistance, and the expenses incurred by the Board or its Standing Committees shall be approved by a majority vote of the Board. Such expenses shall be paid, so far as possible, first from any funds directed by a donor for such purpose in connection with a particular distribution, and any balance out of income of the Foundation's funds.

Each participating custodian or agent shall make or withhold such distributions and disbursements as the Board may direct and shall be fully protected in acting on any written direction signed by the President or other person duly authorized by the Board. Participating custodians or agents shall not be responsible for any act or omission of the Board.

A Statement of Investment Policies approved annually by the Board

shall detail these standards.

#### 4.11 CHECKS AND DRAFTS

Each year, the Board of Directors shall conduct an internal audit of the financial affairs of, and the distributions made by, the Foundation. The audit shall be performed by a two-person audit committee composed of Board members other than the Treasurer, and members of the Investment Committee and members of the Distribution Committee. The Committee shall meet with the Treasurer, Investment Committee, and Distribution Committee in conducting the audit.

The Board will establish policies that will provide for internal controls of the financial statements. The execution of the policies will provide the basis for financial reporting as required under Generally Accepted Accounting Principles as accepted in the United States.

Upon resolution of the Board of Directors Finance Committee, the accounts and distributions of the Foundation may be audited by a reputable Certified Public Accountant, whose reports shall

# **FY25 Special Initiatives Fund Contribution Recommendation**

As of April 30, 2025, there is an operational revenue surplus for FY25 of \$156,000 and operational expenses are projected to be under budget \$22,000 for the fiscal year for a total surplus of \$178,000. For the last few years, there has been an operational budget surplus so over time the Administrative Fund has grown. The balance as of June 30, 2025, is projected to be approximately \$1.5 million. The recommended practice is to retain two years of operational expenses. With a projected budget of \$700,000 for FY26, the optimal Administrative Fund Balance should be \$1.4 million.

Consequently, the staff recommendation is to contribute \$50,000- \$75,000 of the operational revenue surplus retained in the Administrative Fund to the Special Initiatives Fund. This recommendation follows the procedure outlined in the Financial Policies and Procedures Policy.

# Purpose

The purpose of this policy these fund and gift acceptance policies is to advance the Foundation's mission of connecting donor interests to community needs and opportunities utilizing community knowledge and leadership. By providing guidelines for negotiating and accepting various types of gifts for different types of funds, these policies are designed to serve the best interests of the Foundation, donors who support the Foundation's programs through charitable gifts, and a healthy and caring community. These policies are established to assure that each gift to the Foundation is structured to provide maximum benefits to the community, the donor, the Foundation and the beneficiaries of the Foundation's charitable programs and activities.

# Scope

These policies address both current and deferred gifts, with an emphasis on specific types of deferred gifts and gifts of non-cash property. The goal is to encourage financial support for the Foundation without encumbering it with gifts which either generate more cost than benefit, or which may be restricted in a manner that is not in keeping with the Foundation's charitable purposes or applicable laws governing charitable gifts. These policies also describe the types of funds that the Foundation maintains.

Notwithstanding anything in this policy to the contrary, the Foundation reserves the right to waive any requirements herein with respect to acceptance of specific gifts.

# **Ethical Standards in Dealing With Donors**

Every person acting for or on the Foundation's behalf shall adhere to those standards set forth in *A Donor Bill of Rights*:

http://www.afpnet.org/files/ContentDocuments/Donor Bill of Rights.pdf

and the Model Standards of Practice for the Charitable Gift Planner:

 $\underline{https://charitablegiftplanners.org/standards/model-standards-practice-charitable-gift-planner}$ 

The Foundation is committed to the highest ethical standards of philanthropy and development. In all transactions between potential donors and the Foundation, the Foundation will aspire to provide accurate information and full disclosure of the benefits and liabilities that could influence a donor's decision, including with respect to the Foundation's fees, the irrevocability of a gift, prohibitions on donor restrictions, items that are subject to variability (such as market value, investment return, and income yield), the Foundation's responsibility to provide periodic financial statements with regard to donor funds, and investment policies and other information needed by donors to make an informed choice about using the Foundation as a vehicle of charitable gifts. In addition, all donors will be strongly encouraged to discuss their gifts with their own financial and tax advisors before signing any gift

**a**Agreement. The role of the Foundation's staff is to inform, guide, and assist the donor in fulfilling his or her philanthropic goals, without pressure or undue influence.

The Foundation recognizes the paramount role of donors and their gifts to the Foundation in executing its charitable mission. In carrying out the Foundation's development program, staff will recognize and acknowledge donors in appropriate ways, both publicly and privately, subject to the Foundation's Policy on Confidentiality. Donors reserve the freedom to determine the degree and type of recognition that they prefer and the Foundation respects the confidentiality of donors who do not wish to be publicly recognized.

<u>Unrestricted Funds:</u> Gifts to these funds help the Foundation help our community. The Foundation makes distributions to support effective work of charitable organizations throughout the area we serve.

Where appropriate, the Foundation may create an advisory committee to make recommendations for distributions.

<u>Designated Funds</u>: These funds support a charitable organization(s) designated by the fund's donor or donors. Distributions generally are determined by applying the Foundation's spending policy to the assets held in the fund.

<u>Agency Endowments:</u> These funds are created by charitable organizations that designate themselves as the fund's beneficiary. Distributions generally are determined by applying the Foundation's spending policy to the assets held in the fund.

<u>Scholarship Funds:</u> These funds provide financial assistance to students at schools, colleges, and universities. Scholarship funds can also support vocational training and assistance in paying for special courses. Donors recommend eligibility criteria but the Foundation Board reviews and recommends annual recipients.

<u>Donor Advised Funds:</u> Donors recommend grants to charitable organizations.

<u>Disaster Relief, Emergency, and Hardship Funds:</u> Contributions to these funds help people in time of need and help our community recover when disasters strike. The Foundation makes distributions from these funds to support effective organizations that provide assistance to individuals and community organizations.

<u>Pass Through Funds:</u> The total fund balance is available for distribution at any time.

# Variance Power

Sometimes a fund is no longer needed, for instance just doesn't work anymore. Scientists discover a cure for polio. A a charitable organization goes out of existence. The Foundation has the ability to address these situations through its variance power, as detailed in Article 4.5 of the By-Laws of the Foundation. This power gives the Foundation's board the ability to make changes to a fund, for example, when its purpose is no longer necessary, can no longer be fulfilled, or has become inconsistent with the charitable needs of the community. This power to update funds helps protect donors by avoiding the need for complex and costly legal proceedings.

The Foundation cannot accept any gift that will be directly or indirectly subject to any material restriction or condition by the donor that prevents the Foundation from freely and effectively employing the gift assets or the income from such assets to further its charitable purposes. In addition, the Foundation reserves the right to reject any gift that might place the other assets of the Foundation at risk or that is not readily convertible into assets that fall within the Foundation's investment guidelines. The Foundation may also decline a gift if it is not able to administer the terms of the gift in accordance with the donor's wishes.

- Any interest in a sole proprietorship.

These limitations do not apply if the donor advised fund holds an interest that does not exceed two percent of the voting stock and two percent of the value of the business.

Donor-advised funds receiving gifts of interest in a business enterprise have five years from the receipt of the interest to divest holdings that are above the permitted amount, with the possibility of an additional five years if approved by the Secretary of the Treasury. To prevent a violation of these rules, it is the Foundation's policy to divest itself of such holdings within five years from the date the Foundation acquired the asset. If that is not possible, the asset will be transferred to a new or existing fund that is not an advised fund.

# **Types Of Gift Assets**

Generally, gifted assets will be either 1) "liquid" assets such as cash or marketable securities, or 2) "illiquid" assets defined as everything that is not cash or marketable securities. With respect to non-cash assets, it is the Foundation's general policy to liquidate all gifts promptly. On occasion, the Finance Committee may decide that it will not liquidate certain gifts immediately. Factors the Committee will consider include:

- Market conditions a gift may be retained for a reasonable period of time if the likely sales price would be substantially less than the asset's real value. Similarly, a large block of stock might be sold over a period of time in order not to artificially depress the price.
- Use by the Foundation the Foundation may elect to keep gifts that it will employ directly in furtherance of its exempt purposes. For example, the Foundation might keep real property that it will use as its offices.
- Desirability as an investment on rare occasions, the Foundation may be given property that it wishes to retain as an investment. Considerations in this decision include the projected return and how the asset fits into the Foundation's investment portfolio.

If a fund's illiquid assets do not generate a sufficient return to permit grantmaking that is consistent with the assets' value, the Foundation will seek an additional gift of cash or marketable securities to allow the fund to begin making distributions.

Subject to Board approval, the Foundation may accept the following types of gifts:

# **Liquid Assets**

# Cash

The Foundation accepts gifts of cash

- In currency of the United States;
- By checks made payable to the Foundation or the component fund; or
- By credit cards or wire transfer to the Foundation's account(s).

# **Publicly-Traded Securities**

General The Foundation accepts gifts of marketable, publicly-traded stocks and bonds. As a general rule, publicly-traded stocks and bonds contributed to the Foundation will be redeemed or sold as soon as practicable. All proceeds from such redemption or sale less commissions and expenses are then credited to the component fund to which the stocks or bonds were originally contributed. The Foundation may accept gifts of publicly-traded stocks and bonds in any amount to any existing fund. However, gifts to establish a new component fund at the Foundation must meet the applicable minimum funding requirement.

Appraisal No appraisal is required so long as the stock or bond is not subject to any restrictions, including those imposed by contract or the Securities Exchange Commission. Where appraisal is not required, the value of the gift is determined by calculating the mean of the high and low prices of the securities on the date of the gift.

# **Illiquid Assets**

# Real Estate

General This policy applies to all gifts of real property, including outright gifts of residential and commercial property and farmland; bargain-sale transactions; and gifts of remainder interests in which the donor retains a life estate. The Foundation does not accept gifts of time shares.

Gifts of real property must be reviewed by the Gift Acceptance Committee. Subject to the Committee's approval, the Foundation may accept gifts of real property to any fund. Gifts to establish a new component fund at the Foundation must meet the applicable minimum funding requirement. In deciding whether to accept real property gifts the Foundation will:

- Determine whether the real estate gift is an acceptable minimum value.
- Confirm that the donor has legal capacity and is entitled to convey the property through copies of deed, title report, etc., provided by donor.
- Determine whether, if property is encumbered by debt, the debt is of a level that will not unduly burden the Foundation or adversely affect the marketability of the property.
- Perform a market and financial analysis prior to acceptance of the gift to determine whether the gift is a financially sound acquisition.
- Weigh its ability to manage commercial property for the time necessary to sell the property. For example, income producing property may subject the Community Foundation to unrelated business income tax and/or other types of expenses, including but not limited to, upkeep of land, maintenance of buildings and management of property.
- Evaluate whether any restrictions on the gift desired by donor will jeopardize the classification of such gift as charitable.

Appraisal Each gift of real property giving rise to a charitable deduction of more than \$5,000 must be appraised in accordance with federal tax law. The donor will be responsible for obtaining such appraisal.

*Distributions* Distributions from a component fund that consists entirely of real property are limited to the net income generated by the property less fees assessed by the Foundation and any unrelated business tax imposed thereon.

*Liquidation* The Foundation will generally seek to sell real property as soon as possible and generally will not accept gifts that cannot be liquidated within three years.

Procedures for Accepting Gifts of Real Property Donors will provide the information and documents requested in the Real Property Donation Checklist and the Real Property Inquiry Form at the earliest possible time prior to the acceptance of the gift. Copies of those forms are appended to this policy. The Foundation may request additional information or documents when necessary to its evaluation of the proposed gift.

Whenever possible, a member of the Foundation staff or an authorized representative will visit the property to determine its nature and type and to identify any potential problems not evident from information supplied by the donor that might hinder or prevent the foundation's sale of the property.

Environmental Assessment The Foundation reserves the right to require If the property type warrants donors to will provide, at their expense, at least a Phase I Environmental Report with disclosure of any environmental problems or statement that none exists. 

I have a property type warrants donors to will provide, at their expense, at least a Phase I Environmental Report with disclosure of any environmental problems or statement that none exists.

Closely-Held Stock and S Corporation Stock

General Gifts of closely-held and S corporation stock must be reviewed by the Executive Committee. Subject to the Committee's approval, the Foundation may accept gifts of closely-held or S corporation stock in any amount to any existing fund. Gifts to establish a new component fund at the Foundation must meet the applicable minimum funding requirement. The Foundation may accept gifts of stock in closely-held or S corporations that generate unrelated business income only if certain agreements are reached with the donor and/or the corporation. These include an agreement by the donor that the taxes on the unrelated business income and the Foundation's associated administrative expenses (e.g., accounting and tax return preparation) will be charged against the fund holding the contributed stock. Further, the donor should agree to contribute additional cash to the fund to pay the foregoing taxes and administrative expenses to the extent there is insufficient cash in the subject fund balance to cover such taxes and expenses.

Appraisal Each gift of closely-held or S corporation stock giving rise to a charitable deduction of more than \$5,000 must be appraised in accordance with federal tax law. The donor will be responsible for obtaining such appraisal.

Distributions Distributions from a component fund that consists entirely of closely-held or S corporation stock are limited to the income generated by the securities less fees assessed by the Foundation and any unrelated business tax imposed thereon.

*Liquidation* The Foundation will generally seek to redeem or sell closely-held or S corporation stock contributed as soon as possible and generally will not accept gifts that cannot be liquidated within three years.

Procedures for Accepting Gifts of Closely-Held or S Corporation Stock
The following procedures apply to all proposed gifts of S corporation stock:

- The Foundation will review corporate governing documents to determine the rights and obligations
  associated with the stock and whether or not the Foundation should undertake such obligations in light of
  such rights.
- The Foundation will review the corporation's most recent tax returns and the donor's most recent K-1 to determine the nature of the income associated with the stock (e.g., unrelated business income, active versus passive business).
- All proposed transfer documents must conform to the Foundation's form or be approved by the Foundation's counsel.
- As a condition for the Foundation's acceptance of the gift, a written agreement between the donor and the Foundation should be in place that provides for the payment of administrative expenses and unrelated business income taxes generated by the stock to the extent there is insufficient cash in the fund to which the stock has been donated to cover such expenses and taxes. The agreement should also require the donor to indemnify the Foundation against all liabilities incurred by the donor on account of the stock up to the date of the gift.

Page **7** of **17** 

<sup>&</sup>lt;sup>1</sup>-Not every property will warrant an environmental assessment, however the Foundation reserves the right to require such assessment at Donor's expense.

• The donor shall provide the Foundation with all documents which outline, discuss or relate to the duties and liabilities which shareholders have, including Shareholder Agreements.

# General Partnership Interests

The Foundation generally does NOT accept gifts of general partnership interests due to the unlimited liability of general partners.

# <u>Limited Partnership Interests</u>

General Gifts of limited partnership interests must be reviewed by the Gift Acceptance Committee. Subject to the Committee's approval, the Foundation may accept gifts of limited partnership interests in any amount to any existing fund. Gifts to establish a new component fund at the Foundation must meet the applicable minimum funding requirement. The Foundation reserves the right to carefully screen all proposed gifts of limited partnership interests to ensure that they place no undue risk upon the Foundation.

The Foundation generally does not accept gifts of interests in partnerships that carry on active business. Interests in passive, investment-type limited partnerships such as those holding real estate, stocks and bonds, are preferred.

The Foundation may accept gifts of limited partnership interests that generate unrelated business income only if certain agreements are reached with the donor. These include an agreement by the donor that the taxes on the unrelated business income and the Foundation's associated administrative expenses (e.g., accounting and tax return preparation) will be charged against the fund holding the partnership interest. Further, the donor would have to agree to contribute additional cash to the fund to pay the foregoing taxes and administrative expenses to the extent there is insufficient cash in the subject fund balance to cover such taxes and expenses.

Appraisal Each gift of limited partnership interest must be appraised in accordance with federal tax law. The donor will be responsible for obtaining such appraisal.

*Distributions* Distributions from a component fund that consists entirely of limited partnership interests are limited to the income distributed to the Foundation by the partnership less fees assessed by the Foundation and any unrelated business income taxes imposed thereon.

*Liquidation* The Foundation will generally seek to redeem or sell limited partnership interests contributed to it within three years.

Procedures for Accepting Limited Partnership Interests

The following procedures apply to all proposed gifts of limited partnership interests:

- The Foundation will review the partnership governing documents to determine the rights and obligations associated with the limited partnership interest and whether or not the Foundation should undertake such obligations in light of such rights. If required, the donor should be asked to obtain the other partners' consent to the gift as a condition to the Foundation's accepting the gift.
- The Foundation will review the donor's most recent K-1 and the partnership's tax returns to determine the nature of the income associated with the limited partnership interest (e.g., unrelated business income, active versus passive business).
- All proposed transfer documents must conform to the Foundation's form or be approved by the Foundation's counsel.

• As a condition for the Foundation's acceptance of the gift, a written agreement between the donor and the Foundation should be in place that provides for the payment of administrative expenses and unrelated business taxes generated by the interest to the extent there is insufficient cash in the fund to which the interest has been donated to cover such expenses and taxes. The agreement should also require the donor to indemnify the Foundation against all liabilities incurred by the donor on account of the limited partnership interest up to the date of the gift.

# **Limited Liability Company Interests**

The same considerations given to gifts of limited partnership interests apply to gifts of interests in limited liability companies.

# **Tangible Personal Property**

General The Foundation accepts gifts of personal tangible property (e.g., artwork, coin collections, jewelry) only if: (i) the Foundation determines that the property will be used in furtherance of the Foundation's exempt purposes or (ii) the Foundation will be able to sell the property. If the property is to be sold, the Foundation will accept the gift only if it has sufficient value to justify the expenditure or resources required for such sale. The Foundation may accept gifts of personal tangible property in any amount to any existing fund. Gifts of tangible personal property to establish a new component fund at the Foundation must meet the applicable minimum funding requirement.

Appraisal Each gift of personal tangible property for which the donor expects a charitable deduction exceeding \$5,000 must be appraised in accordance with federal tax law. The donor will be responsible for obtaining and paying for such appraisal.

Procedures for Accepting Personal Tangible Property The following procedures apply to all proposed gifts of personal tangible property:

- The Foundation will review all prior appraisals and authentication documents, if any, relating to the property.
- If the property is to be sold, the Foundation will ascertain the market for such property and estimate the costs to be incurred in connection with the sale as well as the costs of holding the property prior to sale.
- All costs incurred by the Foundation in connection with the holding and sale of the property shall be charged against the sale proceeds, with the balance being credited to the fund to which the property has been contributed.

## Life Insurance

General The Foundation may accept gifts of life insurance policies so long as: (a) the policy is not encumbered (i.e., there is no outstanding loan against the policy); and (b) the Foundation is made the policy's owner and primary beneficiary. When premium payments can no longer be made because there is insufficient value in the policy to keep it in force, or because the Foundation chooses to discontinue premium payments, the policy will be surrendered. The Foundation may accept gifts of life insurance policies in any amount to any existing fund. Gifts of life insurance policies to establish new component funds at the Foundation must meet the applicable minimum funding requirement.

Appraisal Each gift of life insurance policy giving rise to a charitable deduction of more than \$5,000 must be appraised in accordance with federal tax law.

# **Additional Considerations For Acceptance Of Illiquid Assets**

In connection with the acceptance of many types of illiquid assets, the Foundation may incur costs such as unrelated business income tax, fees or commissions associated with the sale or liquidation of assets, asset management and holding costs, consultant fees or other expenses outside the normal scope of the Foundation's administrative costs. Accordingly, as a condition of the Foundation's acceptance of the gift, the Foundation may require a pledge or other written agreement between the donor and the Foundation that provides for the payment of all or a portion of any such costs or expenses, including unrelated business income taxes, to the extent there is insufficient cash in the donor's fund to which the asset(s) have been donated to cover such costs.

# **Deferred Gifts & Planned Giving**

These are gifts whose benefit does not fully accrue to the Foundation until some future time, or whose benefits are split with non-charitable beneficiaries. Foundation representatives are authorized to solicit direct charitable gifts through wills, as well as contributions to establish gift annuities or charitable trusts. The Foundation will work closely with donors and confer with financial advisors, at the request of the donors, to realize these gifts. In cases where the gifts are complex, the Executive Director may request review by the Gift Acceptance Committee.

# **Bequests**

The Foundation accepts bequests from donors who have directed in their wills that certain assets be transferred to the Foundation and honors the wishes of the donor as expressed, but reserves the right of refusal as necessary and appropriate. Sample bequest language for restricted and unrestricted gifts is available from the Foundation, to donors and/or advisors, upon request. Future fund agreements may be signed and placed on file. The Foundation may not be named as Executor for a donor in his/her will and will not serve if named. The Foundation may create a named fund in memory of the donor, if there is no stipulation for anonymity.

A will or trust should include the following information:

- The name of The Community Foundation of the Dan River Region, a Virginia nonprofit corporation located at 541 Loyal Street, Danville, VA 24541.
- The name of the fund assets should be applied to. This may be a new or existing fund. In the case of a new fund, the purpose of the fund should be defined unless the fund is to be unrestricted.

Unrestricted bequests that do not specify an existing or new fund will be allocated according to the Foundation's Board of Directors discretion.

# Retirement Plans or IRA Accounts

Donors may make lifetime gifts of retirement assets or name the Foundation as the beneficiary of their plan. Retirement plans include, but are not limited to, Individual Retirement Accounts (IRA), 401(k), 403(b), and defined contribution plans.

# Life Income Gifts

The Foundation will work closely with donors to implement planned giving options that provide income to a donor or his/her designees, as well as financial benefit to the Foundation (split-interest gifts). Options include:

Charitable Remainder Trusts (CRT) This trust makes payments to one or more beneficiaries for their lifetimes, or for a fixed term, or a combination of both. Assets are put into a trust, beneficiaries are paid, and when the trust

term ends, the remainder in the trust passes to the Foundation for its charitable purposes. The donor names a Trustee to manage the trust and determines whether the payout will be fixed (a charitable remainder annuity trust (CRAT)) or variable (a charitable remainder unitrust (CRUT)). Trusts can be set up during the donor's lifetime or by will. The Foundation encourages donors to consult their own legal counsel and tax advisors to create a charitable remainder trust. At the donor's request, the Foundation will confer with his/her advisors to assist in establishing the trust from which it will ultimately benefit. The Foundation will not serve as Trustee of the trust.

Charitable Lead Trusts (CLT) This trust first makes distributions to the Foundation for a specified period, with the remainder reverting to the donor or another beneficiary at the end of the period. It may be set up during one's lifetime or in a will. The Foundation will work closely with the donor and/or his advisor to create the trust, but will not serve as Trustee.

**Life Estates** A donor may wish to contribute a personal residence or farm to the Foundation and retain the right to use the property until death. Upon the donor's death, the Foundation owns the entire interest in the property.

Quarterly Administrative Fees-July 1, 2025

<sup>\*</sup>The estimated endowed cash needs for this quarter are approximately \$720,000. This includes the quarterly administrative fees and grants due to be paid out at the beginning of July. Money will need to be transferred to the Atlantic Union checking account to cover all checks written. These funds will be withdrawn from the Atlantic Union Endowed Flow Thru Money Market or Investment Management Account #3 of which there are sufficient funds already in cash. There is no need to liquidate funds from the investment pool.

# The Cash Availability Statement Explained

The Cash Availability Statement lists all bank and brokerage accounts with liquid assets. The accounts are grouped according to whether they include endowed or non-endowed funds.

# **Non-Endowed Funds**

The Atlantic Union Bank checking account (7406) is used to pay operating expenses as well as approved grants and scholarships. This account is funded through the rebalance process which is done at the end of the month or when needed. The goal is to keep 20% of the Administrative Fund used for operational purposes in the checking account.

The Atlantic Union non-endowed money market account (6607) is used for all gift deposits. No checks are written on this account. The balance includes acorn funds, pass-through funds, and endowed fund gifts to be invested. Transfers are made through the rebalance process.

The First Citizens credit card checking account (0645) receives gifts made by credit card through Network for Good. Money is periodically transferred by written check to the AMNB non-endowed money market account.

The Atlantic Union Bank IMA #2 account (1701) was opened to receive a higher interest rate and includes 100% of the Emergency Preparedness Fund, 100% of the Agency Emergency Fund and 80% of the Administrative Fund (the other 20% remains in the Atlantic Union Bank checking account (7406).)

# **Endowed Funds**

The Atlantic Union Bank endowed flow-thru money market account (8307) is used as a pass through for all deposits and withdrawals from endowed funds.

Atlantic Union Bank IMA #1, AUB Peregrine Custody account, Wells Fargo Custody and BOA Trust Cash accounts are cash accounts of endowed funds within the investment pool.

The Atlantic Union Bank IMA #3 account (1704) was opened to receive a higher interest rate and for the flexibility to incorporate cash management strategies when funding endowed fund grants and scholarships. The balance in this account at the beginning of the fiscal year should be at least 4% of all endowed funds.

# Policy change recommendation

I recommend changing the vacation policy to read that employees receive three weeks of vacation starting at 3 years of employment instead of 5.

# Reasoning:

We don't hire new people. We hire people with years of experience in the workplace. Once someone has been with us for 3 years, I believe the odds are good that they are going to stay and we should have a vacation plan that reflects their experience before the foundation.

# **Bereavement Leave question.**

I am including a copy of the Bereavement Leave Policy. My uncle passed away. He was a close family member. I read the policy as being specific to what relations are worthy of a bereavement leave. I have used my 5 days of vacation time. I would like to request one of three options.

- 1. Make an exception and allow me to use Bereavement leave for the two days I was not in the office.
- 2. Modify the policy to be more flexible and have it be retroactive.
- 3. Allow me to use two days of vacation from my next drop of vacation retroactively.

# **Marshall Fund Recognition**

I think it would be worthwhile to recognize the gift from Mr. and Mrs. Marshall by naming something after them. I think it would be appropriate to name a room or even the building after them to recognize the significance of their gift. The gifts from Mr. and Mrs. Marshall are the largest gifts we have received so far and are significant enough that they deserve recognition. I have talked with Pat Marshall, their daughter, and she is supportive of the idea.

# **Annual Leave and Sick Leave Time Policy**

# Activity

3/10/2025 Traci hosted the Southern Virginia Land Conservancy Advisory Committee meeting in our Board Room. This connection is an excellent source of meeting Pittsylvania County landowners.

3/25 - Dan attended a DRF "See the possible" trip to Vero Beach, Florida to view a successful Education Collaborative. Visited programs that covered all levels of education. Programs included: Discounted pre-school, public/private elementary School, bi-lingual after-school, sports after school, church based neighborhood reading coaches. Our supporting the Church and Community group is an excellent help to our local goals, but shared by many. Our flexible Read-Write-Work fund is still a good step of support.

3/14 - The scheduled Distribution Committee meeting did not happen because of lack of quorum, but the rescheduled meeting was well attended.

3/17 - Creation of the CFDRR Special Initiatives fund

3/18 - Dan visited the Danville Museum of Fine Arts and History to learn about the updates and discuss their agency fund. I encouraged Sonia, the Executive Director, to take advantage of the agency fund as their endowment fund. The Kushners had asked me to make the trip, I sent a card to report that I had visited. I will ask the Kushners if I can go to a board meeting to talk about the Agency fund.

3/19 - Met with Non Profit Network to clarify their goals for Halifax County. They are looking to become more involved in supporting the non-profits there and are partnering with Mid-Atlantic Broadband to that end.

- 3/20 Halifax Chamber annual meeting. Shook hands and laughed at horrible jokes.
- 3/20 Gifts to Accountants and Lawyers. Thank you bags of "tax goodies" were taken to professionals that we currently work with, or would like to.
- 3/21 Finalize Barbara Shields Collie and John Collie Jr. Scholarship. Barbara Collie started a scholarship for students interested in Business degrees.

- 3/26 Traci attended the DRF Education Collaborative Meeting.
- 3/27 Traci attended the Dan River Nonprofit Network CyberSecurity workshop and presented about the Agency Emergency Fund. Local Nonprofits were getting a presentation about the dangers of cyber-attacks. Traci described to them how the emergency fund might be available depending on their circumstances.
- 4/2 Communicated with Parks and Recreation about a standard clause in our performance grant agreement that we need to re-evaluate. The clause requires that if the organization that received a grant ceases to exist, The Foundation reclaims the items they purchased. We granted money to the Westmoreland Neighborhood Organization for bleachers, but we do not want them back if the organization closes, the city will keep them for public use. In the future we will share a revised agreement with the board.
- 4/9/2025 Visited with a client of Cameron Starke in South Boston. Interested in starting a designated fund.
- 4/10 Halifax Chamber of Commerce After Hours event.
- 4/23-25 Dan attended session 1 of Lead Virginia in Hampton Roads. Great things are happening in the area, but they are still having difficulty with regional cooperation.
- 4/28 The Caswell County Chamber annual meeting was cancelled due to lack of commitments to attend.
- 5/5 Traci attended the Danville City Schools Graduate of Distinction Program

- 5/6-7 Participated in the Home of Future Thinking Conference hosted by DRF and the Harvest Foundation. The results of the meeting were groups were formed to focus on collaborating in efforts that benefit everyone.

- 5/8 Dan met with consultant for the Southern Virginia Regional Alliance. An economic Development group. It is a feasability study to raise \$2M to connect the economic development efforts of Danville, Patrick, Pittsylvania, Halifax, and Mecklenburg. Currently Linda Green would be the flag bearer. - 5/13 Attended the United Way annual meeting.
- 5/13 Staff received a tour of the Institute for Advanced Learning and Research, especially the Advanced Training in Defense Manufacturing program.
